Finance Products

We are a credit broker and not a lender and can introduce you to a limited number of lenders and their finance products.

The finance products we offer are Hire Purchase and Personal Contract Purchase.

Paragon Motor Company Ltd have chosen to work with a panel of lenders. Our general approach is to introduce you first to our first-string lender MotoNovo Finance.

If the underwriting or finance product availability criteria of our chosen first-string lender does not suit your needs, we will offer a finance option using our chosen second-string lender DSG Financial Services, who have different lending criteria.

We are not providing you with independent financial advice and are not impartial. We will provide you with information on the finance products which may suit your requirements based on information you disclose to assist you in making an informed decision on your purchase. You should decide whether the finance product is right for you.

Insurance Products

The insurance product we offer is Mechanical Breakdown Insurance which is administered by AutoProtect MBI and underwritten by Red Sands Insure Company (Europe) Limited

We will advise and make a recommendation for you after we have assessed your needs.

All products are optional

4. Commission Disclosure

We do not charge a fee for our services. We will receive commission from the lender for introducing you, which will either be a fixed fee or fixed percentage of the amount you borrow. The lenders we work with will pay commission at different rates.
